

# Join the Mending Cambridge Fellowship Program!

The Men's Health League is seeking 8-12 male-identifying individuals, between ages of 20-45, and who live and/or work in Cambridge to be part of the first Mending Cambridge Fellowship Program.

The free program starts October 6 and is six months. Fellows will come together for two-hour sessions each month to learn from leading educators from around the state about domestic violence prevention.

## What Fellows Receive:

- Access to a community of supportive male-identifying individuals
- The opportunity to be featured through social media and other public service campaigns
- A certificate of completion
- Membership into the Mending Cambridge Alumni Network

## Interested in Joining?

Attend the virtual **Information Session on Wednesday, Sept. 1**. Please contact Albert Pless at [apless@challiance.org](mailto:apless@challiance.org) for the Zoom link.
