

# DOUBLE YOUR SNAP DOLLARS WITH SNAP MATCH

Here's how:

1. Go to an eligible farmers market.

Scan the code to find one!

2. Tell the market manager how much you want to spend. They will swipe your EBT card and you will get double the amount in tokens (up to \$15 match per visit).

3. Use your tokens to buy any fresh food at the market. And remember that SNAP Match and HIP benefits can be used together!
