

IF YOU HAVE SNAP, YOU ALREADY HAVE HIP!

Here's how to use it:

1

Go to a participating Cambridge Farmers Market, farm stands, mobile markets, or CSA programs.

Scan me to find
Cambridge
Farmers Markets!

2

Swipe your EBT card to purchase fruits, vegetables, seeds, and seedlings from participating vendors. An equal amount of money will be added back to your EBT account.*

*Even though you will be reimbursed, there needs to be a sufficient balance in your EBT card.

Look at what you
can earn each
month:

**\$20 per
household**

3

Check your receipt to see how many SNAP dollars you have earned and spend them anywhere that accepts SNAP. And remember that SNAP Match and HIP benefits can be used together!

Check how much HIP
you have already used
for the month by
calling the EBT
customer service line
at (800) 997-2555
