

INTERNATIONAL OVERDOSE AWARENESS DAY 2025

International Overdose Awareness Day is the world's largest annual campaign to end overdose.

This year's theme is "One Big Family, Driven by Hope." In honor of this day and the strength we have through our communities, the following Cambridge organizations will gather at City Hall to recognize and honor the lives lost to opioid overdoses:

Cambridge Public Health Department
Access Drug User Health Program
Cambridge Police Department
Cambridge CARE Team

We will come together to hold space for those who wish to honor their loved one's memory through speech, art, and community. Harm reduction and health promotion materials will be available.

THURSDAY, AUGUST 28, 1:30 - 4 P.M.

CAMBRIDGE CITY HALL

795 MASSACHUSETTS AVE

Cambridge
Public Health
Department
